Dated:13 August 2010

Read the following:

1. GO Rt No 1074 HM&FW Dept Dated 13.08.2009.
2. Govt Memo.No.4418/H2/2010 HM&FW Dept
Dated 29.3.2010

ORDER

1. The Government is taking a number of measures to strengthen the primary health system in the State. One of the important initiatives in this direction is to create a public health cadre that has the capacity to plan, implement and monitor preventive, promotive and curative health activities. In this context, the Government has signed an MoU with the Public Health Foundation of India (PHFI) in 2007 under which PHFI has agreed to conduct a one year Diploma in Public Health Management (DPHM) course for twenty-five in-service mid-level professionals of the Health and Family Welfare Department. The expectation is that these candidates when they return after completing the Diploma will contribute directly to the public health system strengthening.

2. During 2009-10 academic year, twelve Deputy Civil Surgeons, six Civil Assistant Surgeons, and three Civil Surgeons have undergone a year-long study of DPHM course and have successfully graduated on 31 July 2010. After investing substantial amount in training each of these officers in Public Health Management, the Government have decided to make use of the services of DPHM graduates in assignments that would directly contribute to strengthening the public health system.

3. Consequently, the Government has decided to utilise the services of these officers in assignments relating to NRHM implementation, as District Programme Management Officers (NRHM – DPMO), for planning, coordinating and monitoring all health programmes, with specific focus on NRHM implementation. Accordingly, the Government hereby order the posting of following doctors at the places shown against their names:
